

# Car EV Charging Waterproof Cover

PQ-EVCM03

- Design with magnetic strap keeps the charging cable on the vehicle, protecting it from rain, wind, and snow.
- More durable and easier to attach.
- Strong dual magnetic strips - firm attachment.
- Foldable into compact size for easy storage.
- Ideal for outdoor EV charging use.

**This plug port cover keeps rain, snow, ice, and dust from entering the charging port and causing a blockage. It helps save you the trouble of cleaning the charging port in the morning. It comes with a silver coating inside that protects the charging port from the sun's heat and UV rays.**
